Cargo Clearance Permit (CCP) Requirement for Transshipment of Animal Feed/Pet Feed in Singapore

To: All Valued Customers,

We wish to inform you that the Animal & Veterinary Service (AVS) and Singapore Food Agency (SFA) of Singapore has implemented a new regulatory requirement governing the transshipment of animal feed through Singapore. Further details can be found on the official SFA website:

<https://www.sfa.gov.sg/commercial-exports/whats-you-need-to-know-for-export-tranship-of-animal-feed>.

Effective immediately, a Cargo Clearance Permit (CCP) is mandatory for all consignments of pet food and animal feed transiting through Singapore. This regulation is part of Singapore's ongoing biosecurity measures to ensure the safe handling and control of animal-based products.

To facilitate the CCP application process, we kindly request you to provide the following documents:

1. Provide an ingredient list for all items stating the components in the item (e.g. the complete breakdown of raw materials used, Percentage composition of each component, etc) and it should be on letterhead dated and signed by competent personnel of the manufacturing company.
2. Provide manufacturer declaration certifying that the products do not contain meat/meat products or contain meat/meat products and are meant for pet animal consumption or food producing animal consumption. The manufacturer declaration should be on letterhead dated and signed by competent personnel of the manufacturing company
3. Health Certificate (If it contains meat and meat products)
4. Invoice
5. Packing list
6. CA product code basis their declared cargo HS code (<https://hscodchecker.gobusiness.gov.sg/>)
