Notice of Surcharge Update

Dear Valued Customer,

Thank you for your continued support and for choosing Ocean Network Express (ONE) to cater to your needs.

Please be advised of an important change regarding our surcharges.

Effective **November 1, 2025**, and until further notice, we are suspending the **Inland Haulage Premium (INP)** applied to all truck transport rates to and from the **TTIA Algeciras terminal**. This decision was made by our Trucking Vendors due to the recent decrease in working volume and reduced waiting times at the terminal.

We will continue to monitor the situation. Should port and terminal congestion levels return, the surcharge will be re-implemented.

Applicable Charge:

Inland Haulage Premium (INP) Expire/ Container (All container types)

Effective Date: 1 November 2025

We would like to take this opportunity to thank you for supporting ONE and look forward to continuously serving your global transportation needs.

Should you have any questions, please do not hesitate to contact your ONE representative.

Yours faithfully,
Ocean Network Express Pte. Ltd.
