

Emergency Fuel Surcharge (BAF09)

March 11, 2026

World to/from USA
Effective April 8, 2026

Dear Valued CMA CGM Customer,

Following the reopening of global fuel markets on March 2, 2026, fuel prices have surged sharply due to ongoing geopolitical tensions in the Near and Middle East. As a result, bunker costs have significantly increased across all regions and trades, impacting the overall cost of ocean transportation.

To continue providing reliable and sustainable services in this exceptional context, CMA CGM will implement an **Emergency Fuel Surcharge (EFS)** as follows:

EMERGENCY FUEL SURCHARGE (BAF09)

Effective **April 8, 2026**, implementation of the **Emergency Fuel Surcharge** will apply to tariff and contract rates as outlined. The Emergency Fuel Surcharge is a result of surging fuel prices and the significant increase of bunker costs impacting the overall cost of ocean transportation across all regions and trades.

Emergency Fuel Surcharge does not apply to or from any ports of the following: Martinique, Guadeloupe, St Martin, St Barthelemy, and French Guyana

The EFS will be **effective April 8, 2026**, or subject to regulatory filings where applicable, and will remain in place **until further notice**.

*** All applicable rates, surcharges, and rules, including, where applicable, mandatory pricing elements under EU commitments can be located in the applicable Governing Tariffs.

We sincerely appreciate your understanding and continued trust during these challenging times. CMA CGM remains fully committed to supporting your supply chains and maintaining the highest possible level of service despite the unprecedented volatility in fuel markets.

Thank you for your understanding and continued trust. Should you have any questions or concerns regarding the above, please contact your local CMA CGM sales representative. For current schedule activity please visit our website at www.cma-cgm.com.

Best regards,
CMA CGM (America) LLC
