## Latin East Coast Europe Express (LUX) Service Update – Adjustment of Service Rotation

Dear Valued Customers,

Ocean Network Express (ONE) will adjust the service rotation of the Latin East Coast Europe Express service (LUX).

To enhance schedule reliability and provide a more robust service offering, ONE will permanently omit Felixstowe and the southbound calls at Paranagua from the LUX service rotation.

With effect from the M/V Navios Vermilion v.163S/N (ETA Rotterdam 6 May 2026), the LUX service will apply the following rotation.

**New:** Rotterdam – Hamburg – Antwerp – Lisbon – Algeciras – Santos – Buenos Aires – Montevideo – Itajai – Paranagua – Santos – Rio de Janeiro – Algeciras – Rotterdam

- Last vessel with original rotation calling Felixstowe: M/V NYK Diana v.022N/023S (ETA 23 April 2026)
- Last vessel with original rotation calling Paranagua (S/B): M/V NYK Diana v.023S (ETA 23 May 2026)

These adjustments are expected to enhance service capabilities and further strengthen our Latin America–Europe trade lane offerings, delivering improved efficiency, reliability, and overall customer experience.

For further information, please contact your dedicated sales representative or our customer service team. ONE remains committed to delivering comprehensive network coverage and greater service quality to our valued customers, reinforcing our dedication to being “Your Number ONE Shipping Partner.”
